Lord Baltimore School

The trustees of Lord Baltimore Consolidated School congratulates the class of 1956. We are proud of the boys and girls of our community and sincerely ask for their help to make Lord Baltimore a greater school, a greater community.

We certainly wish for you all the good things in life to make you happy, but remember wishing does not do it - carefully planned work usually will. When all is said and done, you are the master of your fate.

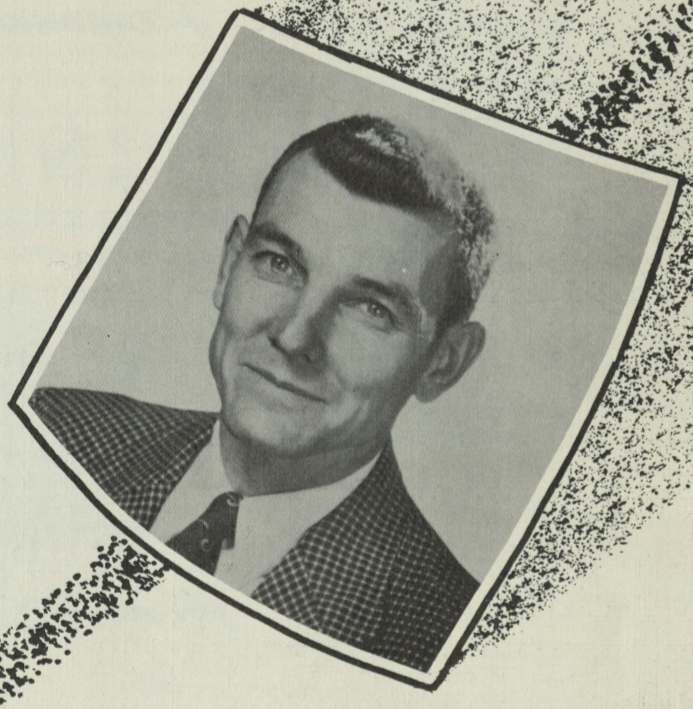
President

Dedication



To one who has long deserved the honor, we humbly dedicate this, our yearbook.

This dedication is but a small token of our heartfelt thanks, especially from the seniors, who have profited so much through your guidance and to whom you have generously devoted so much of your time and energy. Your untiring efforts in our behalf have helped to make our senior year a memorable one.

Alma Mater

Now we sing our Alma Mater
For the school we love so well
Baltimore, your memories linger
As your loyal students tell.

All the days we spent together
Make us love you more and more
Baltimore we love your classrooms
Where we pondered o'er and o'er.

Years may dim our recollection
But we'll ne'er forget thy name
Though your walls may fall and crumble
We will love thee just the same.

CHORUS:

Alma Mater, Alma Mater
This our song we sing to thee
Baltimore we hail your colors
Green and White shall always be.

Tolerance, I believe, is the greatest attribute a person can have. By tolerance, I do not mean the excusing of conduct which by all accepted standards is unethical; rather the attempt to comprehend the beliefs of others and the motives governing their actions: freedom from condemnation of those who do not think or feel as we do. We seldom understand our own motives of behavior. How then can we presume to understand the causes that actuate the deeds or beliefs of others?

Wars are the result of intolerance. Crimes are caused by it. He who lacks tolerance makes no attempt to understand the point of view of others; to his mind all those whose manner of living, whose political and religious affiliations differ from his own are wrong, and must be taught the error ot their ways; if not peaceably, then by violence.

As you take your place in society, practice tolerance in your relations with your fellow man and you will take one big step toward becoming a useful citizen. The poet, Joaquin Miller, offers a creed which seems most adequate:

"In men whom men condemn as ill
I find so much of goodness still
In men whom men pronounce divine
I find so much of sin and blot
I do not dare to draw a line
Between the two, where God has not."

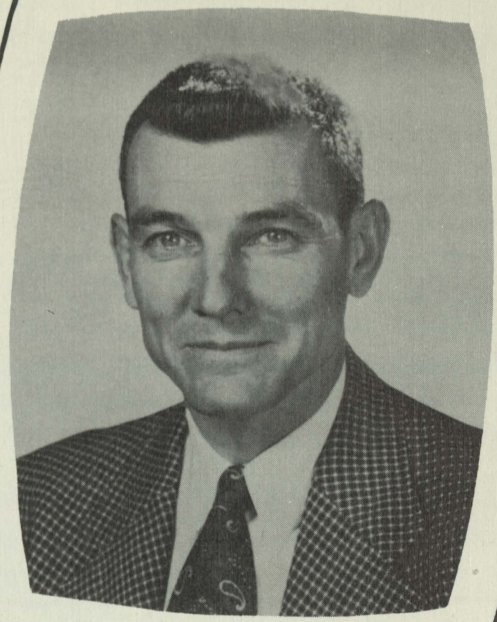
I'M GETTING SENTIMENTAL OVER YOU

AIN'T MISBEHAVIN'

SENIORS



A milestone has been passed. For most of you this marks the end of your formal education. From this point on there will be less supervision, less advice and less counsel from your elders. But with this new found freedom you will find new pitfalls, new decisions to be made and new worlds. These you must face alone. The pitfalls you must overcome. The decisions you yourselves must make. The worlds are yours to conquer.

America offers to youth what no other nation can match - freedom, equality, and opportunity. These are your tools. Take them and make of yourselves and for yourselves, a better citizen, a better America, a better world.

The best to all of you always.

The Class History

On September 6, 1944, 49 little rascals left home for the first time to enter the great halls of learning known as Lord Baltimore School. We were such adoring little things that they divided us between two teachers, and we went through the first six grades divided this way. Our guardian angels during this period were Mrs. Elsie W. Wharton, Mrs. Lida M. Gordy, Mrs. Nellie Montrey, Mrs. Bessie E. Wilson, Mrs. Marian Holloway, Mrs. Ethel Betts, Mrs. Gertrude Simpler, Mrs. Florence Evans Macklin, Mrs. Viola Betts, Mr. Walter Short, and Mr. Myron Mezick.

During these first six years the following people did not remain long with us: Melvina Cooper, Joy Derrickson, Gertrude Hastings, Lorraine Hicks, Barbara King, Jean Rickards, Hope Short, Ardrey Slatcher, Joyce Sullivan, Shirley West, Richard Bunting, George Chandler, Roland Chandler, Bruce Dolby, Harold Collins, Larry Cooper, John Davis, Homer Dennis, David Ellis, Reginald Evans, Ralph Faucett, Edmund Hoffman, George Wilmer Hudson, Leroy Hudson, Gerald Lewis, Earl Murray, Eddie Murray, Bruce Pepper, William Powell, Vernon Steele, James Tarr, Ronald Toomey, Harry Townsend, Jackie Vickers, and Donald West.

Our first year in high school began on September 6, 1950, with 36 happy students meeting with Mrs. Ruth Koenig and Mr. Richard Smith as our advisors. This year Joan Harris, Barbara Nuneville, Gerald Palmer, Floyd Rogers, and Noel Rogers joined our ranks. However, Noel spent only a short time with us before a tragedy ended his life.

In the eighth grade there were only 31 of us since Rachel Melson, Elbridge and Elwood Cooper, Clyde Franklin, and George Ross Robinson decided to leave us. Joan Harris moved away but Irma Timmons came to take her place. This year Mr. Smith tried to keep track of all of us.

As we entered the Senior High School, Mr. Harold Barr became our advisor. There were only 25 of us now as Barbara Nuniville, Norma Lee Short, Irma Timmons, Floyd Megee, Harvey Melson, and Mike Mitchell were either transferred or had stopped school. We elected our class officers as follows: President, Lollie Evans; Vice President, Richard Holt; Secretary, Beatrice Way; and Treasurer, Jeannette Quillen. Mr. Barr helped us put on a Halloween Dance, a Bake, and a Benefit Movie at Rehoboth. Also we enjoyed several hayrides.

Floyd Rogers was missing when we came back to school for our Sophomore year, leaving 24 in our class. Mr. Barr was still our advisor. This year our officers were: President, Lollie Evans; Vice President, Richard Holt; Secretary, Beatrice Way; and Treasurer, Judy Willey. Again we had a Halloween Dance, a Bake, and a Benefit Movie. Mrs. Ethel Betts assisted us in giving a supper.

In our Junior Year, Oliver McCabe joined us. But we lost Mamielee Iannascolio, Cleoria Steele, Joseph Hudson, Danny Iannascolio, Levin Melson, and Gerald Palmer so that our number was only 19. We elected Paul Marvel as President, Paul McCabe as Vice President, Nellie Franklin as Secretary, and Judy Willey as Treasurer. This year our big event was the Prom, which was our most successful achievement so far. We also gave a Valentine Dance, had a Bake, and sponsored a Benefit Movie.

Norma Lee Short re-joined us in our Senior year, but could not spend the whole year, so that only 19 of our 48 original rascals were to graduate. This year we were given a new advisor, Mr. Thomas Hickman. Again we elected President, Nellie Franklin; Vice President, Billy Murray; Secretary, Joan Collins; Treasurer, Jeannette Quillen.

Our Senior year found us lacking in sufficient funds so we had to get to work. First, we had a Benefit Movie, which proved to be successful, for a change. Next we held a bake, which also proved to be our largest. Instead of a Christmas Dance we held a small dance after the Felton ball game. This was also a big success.

On May 24, 1956, we left for Washington chaperoned by Mr. and Mrs. Thomas E. Hickman and Mr. and Mrs. Fred Graef. We spent four days of hotel life, touring the spectacular buildings of our capital, and most of all having fun together. Now it is commencement time.

Although for 12 years we have been together it seems we must bid farewell. May we, the class of 1956, set forth good examples of what our school and community have taught us.

To Mr. Graef the Class of '56 leaves their thanks and appreciation for all that he has done to make our school days a success.

We thank the faculty for their patience and guidance which they have shown us.

To the custodians we leave a dust rag and broom to make these old halls bright and shiny after the class of '56 has gone.

To the school board we leave our sincere appreciation for the things they have done to make our school what it is today.

To Mrs. McCann we donate a box of kleenex and a bottle of aspirin to replace those which we have used.

Prophecy

As we gaze into the crystal ball, we see our classmates in the future. Connie and Janice are busy pulling wires, pushing buttons, and talking at the same time. They are what we call telephone operators. We see Paul B., Billy, and Beatrice peering over a stack of books. They are attending Goldey Beacom preparing themselves for efficient office jobs. Cruising about the campus at the University of Delaware are Joan and Lollie. Lollie is preparing for a Physical Education teacher, while Joan is preparing for a Home Economist. We see Wanda in training for a nurse. Not having a definite future in mind when graduated, we are very much surprised to see Oliver, and Linwood, working on oil tankers. Third class petty officer, Danny Wharton, is now stationed at Staten Island, New York, on a cutter. We see Jeannette hurrying home from the office to cook dinner for Jerry. Bonnie and Wayne are living at Staten Island, New York, on the Coast Guard Base. Bonnie is working as a secretary. Nellie is also a secretary for her husband, Dr. Fritz Geiger. We see Johnny and Gerald working to obtain higher ranks in the Navy. We see Judy cleaning teeth because she is now a dental hygienist. We can now be stacked with food because Paul Marvel is busy tending to his farm. As the crystal ball grows cloudy our last glimpse is of Richard racing his boats.

...The doors through which we have passed...the corridors...the minutes of sociabilities before class...the class rooms...youth coming and going...
...This closes the record of the deeds of the boys and girls, who for the past year, have embodied the spirit of L. B. High...In the years to come, we hope this book will keep alive the memories gathered during the under-graduate days. The future years will bring new faces and changes to the school scene, but there shall be for us this record of the friends we knew, the things we did, and the memories that are still dear to us.
